SPEAKING TOPICS

1) What's Beyond Happiness?

What else is possible to reach our full potential?

2) Success is an Inside Out Process.

Inside dialogue determines outside success.

avelasquez@email.com

3) Happiness Hacks

Shortcuts and cheatsheets for emotional intelligence.

4) The New Direction of Healing

Are you ready for what real holistic work can bring to your health?

BIO

Author, Speaker Becky Howell has more than twelve years and 10,000 client hours as a business owner in the wellness industry. She has been an instructor, equine guided-facilitator, therapist, coach, retreat host, and author of two books on emotional healing. Sharing from an approachable and grounded center, Becky speaks of the deeper understanding that there is more to be experienced in this life than happiness. Becky firmly believes that everyone has the ability to reach this full potential of humanity and that positivity empowers her audience.
